Dear Nimr and Shannon,

Mahalo for your support of the 2011 JA Hawaii Business Hall of Fame reception in Hilo in April. The event was a complete sell-out and by most accounts was a resounding success in recognizing our Man of Honor, Richard Henderson.

Importantly, with your help and the contributions of many other generous individuals in our community, we raised nearly \$20,000.

These proceeds will go to support Junior Achievement programs here on the Big Island. As you may know, JAHl currently reaches over 3,000 East Hawaii students in grades kindergarten through high school. However, there are still just as many students who are not able to benefit from JA's programs.

The challenge in the next several years is to extend our reach deeper into the underserved Puna area. With your continued support we will increase our effort to inspire even more young people to value free enterprise, business and economics to improve the quality of their lives.

If you have questions or would like to be involved in additional ways, please contact me.

Mahalo,
